Congratulations to Andrea Krebs (BA English 2016) who will be entering a graduate program in Library & Information Science at the University of Illinois this fall. She plans to specialize in reference and instruction and become an academic librarian. Since graduating with a degree in English, Andrea has been working at the Merrill-Cazier Library as a teaching assistant. Her time in the English Department helped her cultivate a love for learning, writing, and research that motivated her to pursue a career in libraries.
